Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015: Inauguration of New Manufacturing Facility.

In compliance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Sandhar Technologies Limited is thrilled to announce a transformative milestone in the electric vehicle (EV) sector with the inauguration and successful commissioning of its cutting-edge manufacturing facility namely “**Sandhar Auto Electric Solutions Private Limited**” (Wholly Owned Subsidiary Company) strategically located in Behrampur, Haryana. This new venture is poised to revolutionize the EV product line with its exceptional range of Motor Controllers, Battery Chargers, and DC-DC Converters, designed specifically for the 2-wheeler and 3-wheeler markets.

The Company has started commercial invoicing/dispatches of Battery Chargers and other two products namely Motor Controller and DC-DC converters, will follow soon.

The new facility is part of our ongoing expansion efforts to enhance production capabilities and meet growing market demand in EV Sector. This strategic investment aligns with our long-term growth plans and is expected to significantly contribute to our operational efficiency and business development.

We will provide further updates on the impact and benefits of this new facility in due course.
