Limited Review Report on unaudited standalone financial results of Sandhar Technologies Limited for the quarter ended 30 June 2022 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Sandhar Technologies Limited

- We have reviewed the accompanying Statement of unaudited standalone financial results of Sandhar Technologies Limited ("the Company") for the quarter ended 30 June 2022 ("the Statement").
- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Attention is drawn to the fact that the figures for the three months ended 31 March 2022 as reported in these unaudited standalone financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- 5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed,

or that it contains any material misstatement

Limited Review Report on unaudited consolidated financial results of Sandhar Technologies Limited for the quarter ended 30 June 2022 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Sandhar Technologies Limited

- 1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Sandhar Technologies Limited ("the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net loss after tax and total comprehensive loss of its joint ventures (including subsidiary of a joint venture company) for the quarter ended 30 June 2022 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
- 2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
 - We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.
- 4. The Statement includes the results of the entities mentioned in Annexure I to the Statement.
- 5. Attention is drawn to the fact that the figures for the three months ended 31 March 2022 as reported in these unaudited consolidated financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- 6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. We did not review the interim financial information of five Subsidiaries included in the Statement. whose interim financial information reflect total revenues (before consolidation adjustments) of Rs 9,984.26 lakhs, total net profit after tax (before consolidation adjustments) of Rs. 167 lakhs and total comprehensive income (before consolidation adjustments) of Rs. 195.44 lakhs for the guarter ended 30 June 2022, as considered in the unaudited consolidated financial results. The unaudited consolidated financial results also include the Group's share of net loss after tax (before consolidation adjustments) of Rs. 120.57 lakhs and total comprehensive loss (before consolidation adjustments) of Rs. 119.58 lakhs for the quarter ended 30 June 2022 as considered in the Statement, in respect of three joint ventures, whose interim financial information have not been reviewed by us. These interim financial information have been reviewed by other auditors whose reports have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above

Our conclusion is not modified in respect of this matter.

These subsidiaries are located outside India whose interim financial information have been prepared in accordance with accounting principles generally accepted in IFRS and which have been reviewed by other auditor under generally accepted auditing standards applicable in IFRS. The Parent's management has converted the interim financial information of such subsidiaries located outside India from accounting principles generally accepted in IFRS to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Parent's management. Our conclusion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditor and the conversion adjustments prepared by the management of the Parent and reviewed by us.

Our conclusion is not modified in respect of this matter.

The Statement includes the interim financial results of seven Subsidiaries which have not been reviewed, whose interim financial results reflects total revenues (before consolidation adjustments) of Rs.1,806.51 lakhs, total net profit after tax (before consolidation adjustments) of Rs. 19.97 lakhs and total comprehensive income (before consolidation adjustments) of Rs. 19.97 lakhs for the quarter ended 30 June 2022, as considered in the Statement. The Statement also includes the Group's share of net profit after tax (before consolidation adjustments) of Rs. 0.43 lakhs and total comprehensive income (before consolidation adjustments) of Rs. 0.43 lakhs, for the quarter ended 30 June 2022 as considered in the unaudited consolidated financial results, in respect of four joint ventures, based on their financial results which have not been reviewed.
