**Press Release/Media Release**

**Sandhar Technologies Limited inaugurates its manufacturing facility in Nalagarh**

**New Delhi, December 14, 2021:** Sandhar Technologies Limited (the “Company”), India’s leading vehicle components manufacturer has inaugurated its manufacturing facility at Nalagarh, Himachal Pradesh. The unit will be manufacturing sheet metal components/parts such as frame parts, complete frames, handle bars, swing arms and other sheet metal parts for two wheelers. The addition of this manufacturing facility will strengthen Company’s presence in the sheet metal components space within Two Wheeler Segment. Continuing with its commitment towards customers, and acknowledging the faith and confidence they have reposed in Sandhar Technologies Limited’s manufacturing capacity, the company will produce price effective components/parts and commence commercial production on or before 31<sup>st</sup> December, 2021. Sandhar Technologies Limited strives to protect and serve the interests of its customers and suppliers.

Ends
