Apparel Retailers are Having a Good Time

TOP RETAILERS beat GST blues and online discounting to register double-digit growth in sales

Writankar Mukherjee & Rasool Baijal

Bombay: New Delhi-based apparel retail chains Shoppers Stop, Reliance Trends, Lifestyle Fashion Group, Arvind and Max sold 10 billion rupees worth of goods in the first five months of this year, quashing the impact of online discounts and overcoming a poor performance last time due to the introduction of GST. The retailers said same-store sales grew by 4.1% during this festive season. Future Group and Jubilant said their sales were among the best in the sector.

Top Draw

MAJOR IMPACT ON SALES

- Online discounting
- GST
- Disincentivised

Consumers tend to buy higher priced merchandise as compared to the regular period

Consumers are buying in stores since they can touch and feel products

Consumers are buying around 10 days before the festive season as compared to 20 days earlier

30-40% Festive season sales as a percentage of annual sales for consumer goods makers

RAJIV SUNI (Shoppers Stop)

RAKESH BIYANI (Lifestyle)

VASANTH KUMAR (Arvind)

Shoppers Stop CEO Rajiv Suni said, also during the sales week in Bengaluru on the 1st week of July, over the period that year, which was in double digits for Shoppers Stop.

It was one of the best festive seasons for the retailer. Consumer tend to buy higher priced merchandise as compared to the regular period and that trend continues, he said. Suni said, Suni said, women's shoes and handbags continue to be the top performers.

Patanjali Forays into Apparel Retailing

Opens Paridhan in New Delhi, rolls out 3 brands; plans 500 outlets by 2020

Our Bureau

New Delhi: Yoga guru Baba Ramdev's company, launched its apparel and accessories store Patanjali Paridhan in New Delhi on Monday. It would sell sports-wear brand Lifesty, men's wear brand Aardra and women's wear brand Sankalpa in a move that would see the company expanding its portfolio beyond its health products. The company plans to open 500 Patanjali Paridhan outlets by March and 1000 by March 2020, it is expected. Each store will be spread across 70-200 sq metres. Paridhan-based Patanjali Apparel is launching the venture as a one-stop fashion outlet for all its offerings. It is also an all-in-one store for the first five days, from 10am to 10pm.

TODAY ON ETPrime.com

There is Liquidity!
Much has been made of the credit squeeze. It doesn't stand to scrutiny. Only the poorly managed firms will get affected. There is enough and more liquidity in the system.

Symbol of Fertility
Delhi startup Ela Woman is disrupting India's notorious inefficient fertility business. The hero is a set of algorithms that track a patient's fertility cycle, recommend the best therapies and doctors, and even offer loans for families with low paying ability.

The Sun is Shining
An easier land acquisition policy, increased government investments, and availability of cheap credit, among other things, could save the day for India's ailing auto manufacturing industry.

Midea to Make Toshiba Home Appliances in India

NEW DELHI: Home electrical appliance maker Midea will introduce Toshiba brand home appliances in Indian market, and is set to open a plant to produce them locally in Andhra Pradesh. Midea will manufacture Toshiba range of home appliances at its Ahmednagar, Maharashtra plant. IIT

'Customers will Get Choice to Select Whichever Channel they Want'

ET Q&A **RAM SEWAK SHARMA** CHAIRMAN, TRAI

Q: Ram Sewak Sharma, chairman of the Telecom Regulatory Authority of India (TRAI), said on Monday that the recent ban in the Supreme Court on 100 per cent ownership by foreign companies in the telecom sector is a landmark decision. He said the decision is a step towards opening up the sector to foreign investment and is a positive step for the industry. He said the decision is a landmark decision and is a step towards opening up the sector to foreign investment and is a positive step for the industry.

A: Every regulation has to have some purpose. The purpose of this regulation is to ensure that the telecom sector is open to foreign investment and is a positive step for the industry. He said the decision is a landmark decision and is a step towards opening up the sector to foreign investment and is a positive step for the industry.

Q: Yes, the idea was to make the telecom sector more open to foreign investment. The decision is a landmark decision and is a step towards opening up the sector to foreign investment and is a positive step for the industry.

A: choice to select whichever channel they want. The decision is a landmark decision and is a step towards opening up the sector to foreign investment and is a positive step for the industry.

Q: Whether you see a better demand, you need to look at the market. The decision is a landmark decision and is a step towards opening up the sector to foreign investment and is a positive step for the industry.

A: Whether you see a better demand, you need to look at the market. The decision is a landmark decision and is a step towards opening up the sector to foreign investment and is a positive step for the industry.

Q: So the entire exercise was to bring in transparency?

A: So the entire exercise was to bring in transparency?
